Health & Environment Exchange (HEX) Workshop and Journal Club

Eastern Mediterranean Chapter

September 17, 2026 through March 4, 2027 • See Course Webpage

Where: ISEE

The Health & Environment Exchange (HEX) is a new student-driven initiative launched by the International Society for Environmental Epidemiology (ISEE)’s Eastern Mediterranean Chapter. Through an alternating series of workshops and journal club meetings, HEX aims to strengthen research literacy, critical appraisal skills, and scientific communication among students and early-career researchers. HEX creates a collab...

Building Peer Support in ISEE: A Town Hall on Workplace Threats and Humiliation

Ethics and Philosophy Student & New Researchers Network

December 7, 2026 • 9:00 AM – 10:00 AM

Contact: snrn@iseepi.org

Building Peer Support in ISEE: A Town Hall on Workplace Threats and Humiliation A recent study by Lindert and colleagues, published in SSM – Mental Health in 2026 (https://pmc.ncbi.nlm.nih.gov/articles/PMC10596030/), documented experiences of threats and humiliation in the workplace among members of the International Society for Environmental Epidemiology (ISEE). In this town hall, jointly hosted by the ISEE Stude...
